UBC Library. *Citation Management Software Survey*. Vancouver: University of British Columbia, 2012.

TITLE

PLACE OF PUBLICATION

YEAR

Do you use software to manage your citations for research papers?

Like RefWorks, Zotero, Mendeley, EndNote?

## We want to hear from you!

Fill out our survey for a chance to win a \$25 giftcard to UBC Bookstore.

## Survey closes May 25

[www.library.ubc.ca](http://www.library.ubc.ca)

UBC Library offers instruction and online tutorials for using citation management software.

The survey results will help us determine which software is being used, and how the Library can best offer support and instruction.
