YOUR UBCCARD IS YOUR LIBRARY CARD.

YOUR LIBRARY ACCOUNT:
Log in to renew books and check your account status.

CONNECT FROM ANYWHERE: Current UBC students can access Library resources from off-campus devices – anywhere, anytime. All you need is a valid Campus-Wide Login (CWL). Download the Library Access browser extension to access Library subscriptions from anywhere on the web. services.library.ubc.ca

Access your course materials at courses.library.ubc.ca

LIBRARY LOAN AND MEDIA BOOKINGS: Can’t find what you want? Interlibrary Loan (ILL) will order it for you from another library. You can also book videos or DVDs for individual or classroom presentation use. services.library.ubc.ca

OPEN COLLECTIONS: Explore a wealth of digital resources created and maintained by the Library that document diverse people, places and events: open.library.ubc.ca

UBC Library Research Commons
The UBC Library Research Commons is a multidisciplinary hub that supports research endeavours and provides training in research-enabling skills. The Research Commons embraces both new and traditional exploratory scholarship and provides services, software, and expertise. researchcommons.library.ubc.ca

Services include:
- Expertise in digital scholarship, including geospatial and data services
- Welcoming space for projects and presentations, including bookable project rooms for graduate student and faculty use
- Digital Scholarship Lab with powerful computers for research, experimentation, collaboration, and work with big data
- Consultations and workshops for UBC researchers

The Research Commons’ expertise include:
- Finding and evaluating data resources
- Digital scholarship
- Research data management
- Maps and geospatial data
- Cartography and Geographic Information Systems (GIS)
- Citation Management software and practices
- Data analysis tools
- Web scraping
- Persistent identifiers

And partner expertise in: writing, research ethics, copyright, interdisciplinary research, literature reviews and systematic reviews.

ONLINE RESEARCH GUIDES
Need articles for a project and don’t know where to start? Search our subject-specific guides for help with your research: guides.library.ubc.ca

ASK US!
Looking for articles, primary sources, data or statistics to support your research? Make an appointment with your subject librarian for personalized help. directory.library.ubc.ca/subjectlibrarians

WORKSHOPS AND EVENTS
UBC Library offers research skills workshops on a number of topics at various times throughout the term. For a list of upcoming workshops visit: events.library.ubc.ca

CIRCLE
cIRcle is UBC’s open access digital repository for research and teaching materials created by the UBC community and its partners. If you are writing a thesis or dissertation, this is where you will ultimately submit: circle.ubc.ca

BEYOND THE THESIS/DISSERTATION
Check out the Building an Academic Profile guide for the skills and tools you need for discussing, interacting, presenting, and publishing your research. Learn more: help.library.ubc.ca/publishing-research

WRITING SUPPORT
The Centre for Writing and Scholarly Communication supports graduate student writing. Book an appointment to see a graduate writing consultant, and consider joining a writing community to work on your academic and professional writing with the support of your peers. writing.library.ubc.ca/graduates

COPYRIGHT
Copyrighted materials are everywhere—you produce them, and you use them, every day.

Be responsible in your research and studies: know what you can and cannot do under copyright law and how copyright considerations play an important role in the creation and dissemination of your thesis/dissertation.

Infringing copyright is a serious matter.

Find information about copyright, UBC’s requirements and more: copyright.ubc.ca
WHERE ARE?
