ABOUT THE COLOURING BOOK

The Taking Flight: Birds in Nature colouring book contains images from UBC Library's Open Collections, a publicly-accessible resource for digital collections created from materials held at branches across the Library:

The B.C. Historical Books collection combines the traditional tools of bibliography with the new tools of the digital world to transform our understanding of, and insight into, the history and life of British Columbia. >>

The Historical Children's Literature Collection is a collaboration between UBC's iSchool and the Department of English Language & Literatures, and the UBC Library's Rare Books and Special Collections (RBSC), and Digitization Centre. >>
